

## HOW CAN WE HELP YOU?

### Why choose **ABRA**?

As part of our ongoing commitment to improve our customer service, **ABRA** is proud to announce we have increased our production capacity and storage facility.

We now have provisions to offer a make and hold stock management program for up to 3 months.

If you are experiencing any supply difficulties such as sub-standard service, poor quality products, long lead times, inflated prices, one of our professional team would be more than happy to discuss how **ABRA** could assist in resolving any of these issues with you.

A big part of **ABRA**'s 24 years of growth has been attributed to continuing to give:

- Professional service
- Reliability
- Stock management program
- Very competitive pricing
- High quality

Customer service is not just a story – it's part of our history
